

Christopher Robert Cunningham

1960 – 2025

Chris Cunningham passed away in his sleep of natural causes about Tuesday, Feb 11th, just weeks shy of his 65th birthday. He was discovered on Valentines Day after missing several of his normal activities. He had recently suffered a bout of Covid, which is believed to have either caused or hastened his quiet passing.

Chris was an enthusiastic and active member of the SASC and Rocky Mountain Scottish Community. A long-time convener for Clan Cunningham, he was a staple at the many games and events throughout the region for many years and enjoyed several trips to Scotland and the Cunningham homelands.

The youngest of three siblings, Chris was a Colorado native and lived most of his life in the metro area. He obtained his accounting degree from Metro State and spent the last 15 years as a Federal Project Accountant with HDR Consultants in Greenwood Village.

In addition to his Scottish activities, Chris was a former President of the Aurora Rotary Club and was very active in their Shots for Tots and Little Free Pantry programs; and helped organize and plan many of their activities and fundraisers, all for the benefit of his local community. On a broader scale, he was very proud of providing 7 ambulances for needy areas in Mexico.

Chris was a competitive ballroom dancer for over two decades and won many awards in both formation and individual dance. He was an avid golfer, a fanatical sports fan, a fantasy football enthusiast and loved to travel.

Chris was known for his warm, gentle demeanor and understated sense of humor. His dance partners always remarked on his grace and style, and he was known as a soft spoken, kind and caring person who was always eager to lend a hand whenever and wherever he found a need. His very early, sudden and unexpected passing was a shock to all of his friends, social circles and workmates and left a void in many lives. True to his giving nature, remembrances are being directed as donations to his favorite community service outlet, the Aurora Gateway Rotary Club.
